IN CASE OF ERRORS OR QUESTIONS REGARDING ELECTRONIC TRANSFERS ON CHECKING OR SAVING ACCOUNTS

Contact us at the telephone number or address shown on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared. 1. Tell us your name and account number. 2. The dollar amount of the suspected error. 3. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days (or 20 business days for new accounts) to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.

If you have arranged to have direct deposits (e.g. Social Security) made to your consumer account at least once every sixty days from the same person or company, you can call us (the phone number is on the front of this statement) to find out whether the deposit has been made.

We suggest you retain this statement for your record.
