IMPORTANT NOTICE FOR DORMANT ACCOUNTS

A checking account is considered dormant if it has had no deposit or withdrawal activity for a period of 365 days. A money market or savings account is considered dormant if it has had no activity for a period of 730 days. Internal transactions, such as the posting of interest or service charges, do not qualify as activity.

A Dormant Account fee is charged monthly until the account is reactivated, the balance reaches or falls below zero, or is remitted to the appropriate state as unclaimed property. To avoid this fee, you need to complete at least one deposit or withdrawal per year (two years if the account is a money market or savings). The dormant fee will not be assessed if the account has a balance of \$10,000.00 or more.
